GALVANIC RINGS

GALVANIC RINGS

MAGNETIC FLUID.

This remarkable discovery comprises an entirely safe and novel application of the mysterious power of Galvanism, as a remedial agent. The Galvanic Rings in connection with the Magnetic Fluin, have been used with entire success in all cases of RHEUMATISM, acute or chronic applying to the head, face or limbs; Gout, Tie Dolorrax, Toothake, Bronchitis, Vertigo, nervous or sick Headache, Indigestion, Paralysis, Falsy, Epilepsy, Fiss. Cramp, palpitation of the Heart, Apoplexy, stiffness of Jointa, Spinal compliants, Lumbago, Neuralgia, nervous Tremore, dizziness of the Head, pains in the Chest and Side, general Dability, descinery of uervous and physical energy, and all nervous derangement of the digestire organs, they have been lound equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. THE GALVANIC BELTS, BANDS, BRACKLETS, &c. Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not porsess sufficient intensity or power. They are adapted to the waist, arms, wrists, ancless, chest, or any part of the body with perfect case. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanium con affect, will fail to be perm anenutly relieved.

CHRISTIES MAGNETIC FLUID is used in connection with the Rings and their modifications. This composition has been pronounced by the Freuch Chemist, to be one of the most valuable discoveries of modera science. It is believed to possess the remarkable power of medications, the connection with the Rings and their modifications. This composition has been pronounced by the Freuch Chemist, to be one of the most valuable discoveries of modera science. It is believed to possess the remarkable power of rendering the nerves sensitive to Galvanic action, by this meune causing a concentration of the influence at the

We learn from the Savannah Republicas, that the celebrated geologist, Lyell, was in Montgomery, Ala a few days ago, and visited the prairies in the vicinity for the purpose of observing the peculiarities of the lime formation. The object of his present trip to Alabama is to examine the fossil deposits in the lower part of the State.

A pediar, named McLancy, was precipitated over a precipice near Portage, with his horse and wagos, and instantly killed. His horse made a mis-step and fell.

The Birmenizes of Phede Labam has the made and state and fell.

for Governor Edward Harris, of Woonsocket, and for Lieutenant Governor, Stephen Wilcox, of Westerly. Mr. James B. Draugnon, of Sampson county North Carolina, has raised a hog, the net weight of which was 759 lbs.; it wanted 8 days of being 2 years eld when he killed it.

to build a branch to the Stockbridge Iron Works.

There were fifty-two deaths at Boston, last week of which nine were of consumption, 5 of scarlet fever and 4 of small pox.

A vast and very beautiful cave has been discovered near Middletown, Va. It has been explored to the distance of halfa mile.

We notice by our last Illinois papers, that Davis has stabbed O. F. Rockwell, severely but not dangerously. Rockwell took Davis' wife from him on the "Spiritual System," which he bore until he heard that Mrs. Davis wished to return to him. He then watched for Rockwell, and coming up to him one day last week, rollied a sword from his cane, and pierced Rockwell's side. R. saved his life by turning the weapon on one side a little, with his hand.

Several pickpockets have lately been arrested in
